## Support Student Success Across Washington State

Sponsoring this breakfast is an investment in one of Washington's most effective dropout prevention models. Your support helps ensure students receive personalized, wraparound care that removes barriers to learning and keeps them on a path toward graduation and opportunity.

The morning will bring together education and community leaders for inspiring remarks, a superintendent and partner panel, and stories that bring CIS's impact to life. As a sponsor, you join a trusted statewide network working inside schools to connect caring adults with students and expand what is possible for young people across Washington.

## Mission

Communities In Schools of Washington surrounds students with a community of support, empowering them to stay in school and achieve in life.

## Who We Are

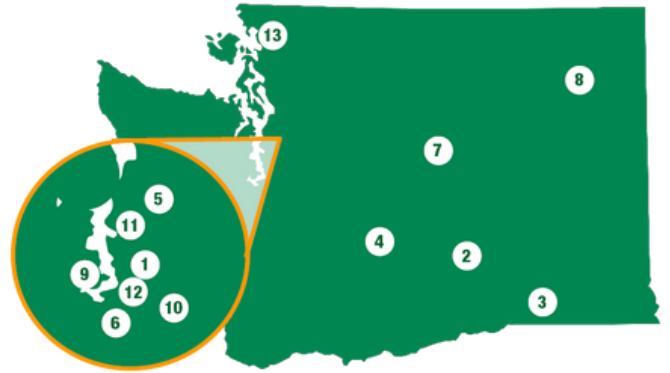

At Communities In Schools we believe that every student, regardless of race, gender, ability, zip code, or socioeconomic background should have what they need to realize their full potential in school and beyond. We walk by their side, in their communities, to challenge the systems and barriers that stand between them and their success in life.
