

The Cat And The Very *Spooky* Thanksgiving!

By Jaxon

On a rainy day in November, Nick was sitting next to the window watching the rain as it fell from the dark night sky. I was sitting on his lap. Oh sorry, I forgot to introduce myself. I'm Chris, the cat. I was just resting before Thanksgiving tomorrow. I was excited because Thanksgiving was my favorite holiday! I got off of Nick's lap and went into the kitchen. "Nick, Jermey, dinner". Jermey was Nick's dad. He works at the bank. "Sopie, George, dinner". Sopie was Nick's sister, she's turning nine next weekend. George was also Nick's older brother, he was in high school. Their mom was a daycare teacher, her name was Zoey. So yeah, those are my owners, the Clades. After dinner, I went to bed because I got tired.

I woke up the next morning and saw that everyone was already setting up for Thanksgiving. I was too tired to do anything so I went back to bed for a little bit. When I woke back up, again, everyone was already at the dinner table eating. I walked into the kitchen to start eating when suddenly, the power went out! When it came back on, everyone was gone! I gasped. I looked to the left, no one was there. I looked to the right and saw a white note. It read, "If You Want To See The Clades Again, Go To The Living Room And Look Above The Window Curtains". As soon as I read the whole note, I ran into the living room and looked above the window curtains and saw another note. It read, "Go Into Nick's Room And Meow As Loud As You Can". I ran up the stairs and meowed so loud it echoed all around the house. Then, another note appeared. "Go Into The Washroom And Put On Your Thanksgiving Sweater". I ran back downstairs, into the washroom and put on the sweater. Then of course, another note appeared. "Go Into The Kitchen And Take The Turkey Out Of The Oven". I ran into the kitchen and tried to take it out, but I was struggling. Eventually, I got the turkey out. There was another note. "Congratulations, You Have Followed My Instructions Correctly, So If You Want Your Family Back, Go Unlock The Bathroom. Sincerely, Gobble The Turkey". So I went to the bathroom and there were the Clades. When we all went back into the kitchen, instead of the turkey I took out of the oven, there was a pizza box with a note on it

saying, "Thanks For Freeing My Turkey Brother, So This Is A Token Of My Gratitude." "Best Thanksgiving Ever!" Nick said. We ate the pizza, (even though it wasn't a turkey.) We were too full to go back to the store to get another turkey, so we went to bed. We woke up the next morning and there was an uncooked turkey sitting on the table. It was all a dream! I was shocked, and surprised. A couple hours later, we sat at the dinner table, when suddenly, the power went out. "Well, Here We Go Again". I said in my mind.

Meanwhile, Outside The Window...

"Gobble Gobble Gobble, Operation Gobble Is A Go. Gobble".
The End
