

READY! Set, Read-Tacoma!

Success Stories of the Month-July 2014:

Summer story time 2014 was more than a success this year! We exceeded all expectations for participants, and had the most families attend each location since the program's creation. Jason Lee Middle School Librarian, Dawn Baughman, has lead summer story times for the last two years, and decided to include her middle school students in on the summer story fun! They had a blast singing, dancing, and reading their favorite childhood stories to these upcoming kindergarteners! They look forward to helping Mrs. Baughman next summer as well.

A big thank you to Brian Leu, a children's librarian from the Tacoma Public Library! He volunteered his time this summer by dropping by each of our nine story time locations. He engaged the families with exciting stories and games to follow! From frogs, to crocodiles, and even pirates, the kids loved each one of themes and crafts!

Wiggle was the all-time favorite story at Jason Lee. Many thanks to our middle school volunteers at Jason Lee Middle School, who are helping librarian Dawn with the RSR-T program!

New Partnerships:

South Tacoma Business District, Hilltop Arts, Odyssey One

Target Organizations for August:

Central Washington University, Evergreen State University, Tacoma Community College, PrimeTime Learning Center, Dairy Queen, Subway
