Dear Teresa and Friends at CIST,

Many thanks for the generous donation of school supplies for our students this fall!

Over the years, we cannot thank you enough for the essential pieces of school work which you have donated through your community connections. Our students and their families, nearing 80% who qualify for free/reduced meals, are so thankful for this infusion of supplies. It makes their year, as well as the work of our teaching cadre, go so much smoother.

We wish you all the best in the year to come, and we cherish our partnership!

Sincerely,

the Fawcett staff
