Director's Message

*Surrounding students with a community of support,
empowering them to stay in school and achieve in life.*

I am honored to be a part of this great organization and work alongside our talented team members, partners and volunteers. It is inspiring to see the tremendous impact our Student and Community Advocates make in our schools every day.

There is so much to celebrate and be thankful for as we reflect on the 2023-2024 school year and look on to the future. This work would not be possible without the impactful partnerships with Walla Walla Public Schools and the Milton Freewater Unified School District, as well as the many mentors, tutors, volunteers, and community organizations.

We're excited to see the impact this coming year as we expand our services to College Place Public Schools, take on the challenge of reducing chronic absenteeism in Walla Walla through a Truancy Specialist position and deepen our impact in Milton Freewater in an expansion to Ferndale Elementary School and Freewater School.

Thank you for being #AllinforKids
